

9. TEENS MEAN BUSINESS

This course is designed to inspire and encourage young people to gain employment or gain the qualifications through an apprenticeship or going to university. This course will be run from schools, colleges or even youth clubs. It provides an opportunity for young people to discover the skills they have, and the steps they need to take to achieve their goals.

WHO IS THIS COURSE FOR?

The course is for young people from 14-25 year olds to enable learners to think about employment and the qualifications needed to achieve their goals. Class size is a maximum of 15 in one group in order to provide learners with time for everyone to be able to take part and have time to speak.

WHY ATTEND THIS COURSE?

There are many fantastic reasons to attend a teens mean business course! For many young people the thought of finding work or deciding what to do after school can be difficult. By attending this course, young people the opportunity to gain the confidence and inspiration from the course material and each other; by sharing aims and ambitions to move young people closer their goals. This is a very task-based, and active course with the opportunity to have fun as well as learn.

WHAT DOES THE COURSE COVER?

- Ice-breaker activity Getting to know the group
- Exploring goals and ambitions in terms of employment, education and life skills
- Seeing the whole picture – looking at various options
- Identifying any skills gaps or barriers there may be in gaining employment
- Setting manageable and achievable goals
- Celebrating success
- Coping with rejection
- Building on feedback to use in a positive way

HOW LONG IS THE COURSE? HOW MUCH WILL IT COST?

Both the course length and the cost will vary. We can design and deliver a course to the specific requirements of the company or your customers. We offer a free of charge consultation meeting to discuss course options and the length of the course.

TRAINING METHODS AND TECHNIQUES

We offer a wide range of interactive and engaging training techniques. As we all learn differently, each course has a visual, auditory (listening), kinaesthetic (movement) and retrospective, (looking back – reflective) element to appeal to every learner. We adapt according to the diverse needs and abilities of the individual or group.

We also offer extensive public speaking and interviewing experience to offer each training programme.

Please note: All our courses are currently unaccredited. However we can design accredited courses based on specific outcomes as long as your organisation or company has the relevant accreditation for the course.
